

2026 SRF World Convocation

Mother Center Pilgrimage Tours

Daily Schedule

Monday, August 3 | Tuesday, August 4 | Thursday, August 6

“ *Come here to meditate and to feel God....
I shower the blessings of the Great Ones upon you.* ”
— Paramahansa Yogananda

Convocation pilgrimages to the SRF Mother Center provide an opportunity to visit one of the sacred sites where Paramahansa Yogananda lived and communed with God.

Guided visits to the International Headquarters building and Paramahansaji's living quarters start at the canopy in front of the building. If you are unable to climb the three flights of stairs to the Shrine Rooms, please inform one of the volunteers at the canopy area before being seated and elevator assistance will be arranged for you.

If you are visiting for the first time, you are welcome to join one of the monastic-led orientation tours starting at the information desk in front of the building.

We wish you a blessed pilgrimage!
